

CNC Machine Tools

GBI Cincinnati	Revolution Series - Die-Mold, Aerospace, Medical Most Efficient In The Industry - Guaranteed
Feeler	Full range of machining and turning centers. Box and linear ways with Fanuc controls.
Matec	Travelling column machining centers with swiveling heads and rotary tables from Germany.
SMS	Saginaw Machine Systems builds standard and special machine tools for turning, drilling and welding.
WFL Millturn	The world's leader in Millturn machine tools. Chuck Once - Machine Complete
Mitsui Seiki	Jig boring & grinding machines; horizontal, vertical & 5 -axis machining centers; thread grinders.
OR Victor Taichung	Complete line of CNC Turning and Machining Centers. Well built machines with proven technology.
Romi	A world leader in CNC conversational tool room, com- bination and production lathes.
ELB	Surface and creep-feed grinders, work-piece specific, customized and specialized grinding machinery.
Chmer	Wire, CNC Sinker and Driller EDMs. Fastest Automatic Wire Threader On The Market

Machine Tools

Summit	Tool room lathes, engine lathes, mills, drills.
Kent	Manual and automatic surface grinders.
Hydrapower	Press brakes and shears.
Scotchman	Ironworkers, Cold & Band Saws, Measuring Systems.
Jet	Woodworking, Metalworking, Material Handling.
Used Machines	Buy, sell and broker used equipment.

Accessories

EZset	Precise presetter, compact design, user-friendly style.
Koma	Tsudakoma rotary tables and angle heads.
Spidercool	Automatic coolant nozzle system for machining centers.
Alpha Workholding	Magnetic workholding and lifting equipment.
Newall	Digital readout systems.
Rustlick	Machining and grinding fluids.
Mach-1	Quick change system for knee mills.

Service

CNC Service	Most machine and control makes. Reasonable rates.
SPS	Spindle analysis and service.
Rebuilding	Partial and complete rebuilds.
